### **Clint gets a big win at the AUSTRALIAN OPEN**

The AusOpen (which is our National Matchplay Championships) was held over the weekend [24-25Oct] at the Diamond Valley Archery Club in Melbourne. It consisted of two parts over two days with a FITA90 (36 arrows at each distance 90, 70, 50 and 30mtrs) on the first day to rank us for starting position on the second days matchplay elimination.

I was very pleased with the way day 1 panned out, 90mtrs did not score as high as I would have liked but I shot all arrows well and ended up with 333... 70mtrs was great and I felt very comfortable and relaxed and shot 354 which was the top score by 2 points for the distance. 50mtrs also went well and I shot 350 and for the final 30mtr distance I shot a perfect 360. My total FITA90 score was 1397 and this ranked me second behind Pat Coghlan (1406). The 1397 also gave me my third qualifying score for the Commonwealth Games squad.

Day 2, we were all expecting the wind to turn up and we were not disappointed... the wind came in gusts and made for some difficult shooting at times...but even though the wind made shooting that little bit harder, I managed to win my way match by match into the final against Pat Coghlan.

The final was great and I had a lot of support from fellow archers watching on... the match was shot in 4 lots of 3 arrow ends and I shot 27 to 28(Pat), 28 to 28(Pat), 28 to 26(Pat) and a perfect 30 to 28(Pat) and the final total was 113 to Pat's 110.

I was obviously very happy with the result being it was my first National Tournament for 2 years... I do still feel like I can improve on my shooting and I am looking forward to making some adjustments and hopefully shooting some big scores.

Thanks to all my sponsors for their support.

Cheers – Clint

### **Deloraine Craft Fair**

October 31st./November 1st. 2009

Paringa Club members have done it again, another record weekend after a very busy couple of days with virtually no rest or time for a break by our volunteers.

**WE RAISED \$657.00 FOR THE CLUB!!!!**

Our thanks to the regular volunteers;

Ray Denton, Les Freeman, Trici Freeman, Clint Freeman and Samantha Freeman.

Special thanks to:

Mark Ansell, Jeff Garner (Saturday)

Brian Swinton (Sunday)

Without their assistance the number of people we handled through our site would have been considerably less and we would not have raised this amount.

Just as information for all our members; to stage this event we need to set up the shooting area with roped off safety fencing, full width raised backdrop to catch any arrows that may pass over targets and a roped off area to the rear of backdrop. A line up area

with money collection point and information section is also a must. To achieve this, our regular volunteers spend Friday to set up and Monday to dismantle and pack away ready to do it all again at The Sheffield Steam Fest. (March 2010)

Set up/dismantle crew this year; Ray Denton, Les Freeman, Trici Freeman, Clint Freeman, Taylah Freeman and Samantha Freeman.

### ***New Paringa web-site***

You will notice a new URL on the masthead today. Paul Fahey has transferred much of the essential content from our old site (which will redirect shortly) to one which is kindly hosted by the Archery Society of Tasmania.

### ***Out of interest***

Diamond Valley Archers have a neat construction that shades, but doesn't quite cover their shooting line....
