The weekend before Christmas and still they come!
(18/12/13)

The Pat's Archery Handicap

This event will be held four times this year, the first on March 29.

It will be a handicap event so the winner will be the archer who shoots best against their own handicap (rather than against the other archers scores) making it ideal for the less experienced archer. The event is open to all members but you need to have an Archer's Diary handicap, which you can get by shooting in any club shoot.

The winner gets a \$50 voucher at Pat's Archery!

Speaking of Pat's Archery, Paringa members should now use the new code **PARINGA** when ordering online at Pat's, to receive a **5% discount and free postage** for orders over \$100.

Bi-monthly Club Meeting

Paringa Meeting 1st February 2014 @ 12.30 pm
Paringa clubhouse

Present: Rolf de la Mott, Jeff Garner, Caitlin Street, Paul Malinowski, Paul Korosi, Richard Gonninon, Wayne Butler, Craig, David Warren.

Treasurer's report presented.

Club spent \$3744.10 on new stramit. Sheets cost -\$53.92ea landed.

Grant of \$1000 made to Taylah Freeman to assist in costs for upcoming international competition.

Payment made of \$349.30 for car park dots to be used as lane and butt location markers. These will be installed in the upcoming working bee.

Jeff received a quote for a shed 30m x 15m x 3m @\$35,000 for the kit. Potential locations were discussed generally, without resolution. Suggestions were made to establish a sub-committee to establish all the previous work perform in regard to constructing an indoor range for the club. No resolution was made.

Communications in;

Letter from Veolia dated 19/12/13 discussion variations in waste removal contract of %15 fee for non-payment of invoices. As we don't receive any services from Veolia there is no issue. Caitlin to address.

Notification through Shayne from Parks and Wildlife Tas requesting repair of perimeter signage to ensure readability. Caitlin to prepare stencil.

Caitlin has arranged secretarial access to the IMG Paringa site.

Working Bee;

Discussion of tasks for working Bee 2/2/14. Tasks to include roof leak repairs, Preparation of Field Course for coming event, line marking and lane measurement of range, installation of line-marking dots, driveway repairs, tip run and general weed control.

Paul Korosi noted the variations in width of some lanes, with the bush encroaching on the range on the East side. Lane width is to be addressed when remarking the lanes at the working bee.

Club Shirts

Rolfe reported that supply of embroidered club shirts are ready for commission and will be sold to members for \$30 each. Members to contact Rolfe

re sizing. Discussion was held about making the shirts available to non-members.

Pat's Archery Handicap

Rolfe reported that Pat's Archery was prepared to sponsor a handicap event at Paringa on 29th March 2014. The event is to be open to all members, so long as participants have an established handicap. Registration can be on the day.

Paul Korosi also offered to contribute prize money from Archer's Diary, though it was thought that as Pat's had naming rights it would be simpler to leave as is at this for this event.

First Aid Kits

Rolfe thanked Richard Goninon for organising and supplying a new First aid kit as specified at last meeting.

Pat's Discount

Pat's Archery online discount of 5% still applies to Paringa members, though the password has changed to 'PARINGA'.

Shooting Line;

Discussion was held about the instability of the pavers set into the shooting line. It was suggested that the entire line be removed and re-laid, horizontally and evenly spaced. Jeff Garner informed the meeting that Parks & Wildlife will need to be consulted to see ensure compliance with their regulations. Caitlin to write to P@WS to enquire.

Next Club Meeting: 12:30am Sat 5th April 2014

Working Bee

The last two working bees saw the Field course and Target range get a spruce up for the tournaments in February. Field target butts stabilised, topped up and perimeter signs repainted. Range remeasured, mowed, foam target inners replaced. Club House ceiling started, chimney leak repairs, wash basin replacement (thanks Chris), cupboard in kitchen (thanks Kel)

and toilet clean up. Container tops cleared of leaf litter, wood moved away from Club House (I have probably missed heaps) Thanks to those members that make the magic happen. 🐝

Next Working Bee: When needed.

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

And they only want \$500k to \$700k to build it!

The final say

The **Launceston Challenge** has been going well with current results at the end of the newsletter. The suggestion has been made to use handicapping rather than ratings for the next challenge. Let me know what you think.

There has been some more discussion lately about building an **Indoor facility**. At this stage Parks and Wildlife have not been approached and everything is very much in the ideas phase. If you have any ideas please let a committee member know so that we can develop this into a long term strategy for the club.

Kit sheds with 2 roller door and gabled roof have been quoted from \$25k - \$35k + \$25k for piers and assembly. No power or floor.

Five possible locations for a 12m(W) x 30m(L) x 3m (Wall H) shed. (Not to scale)
