Hi Ray,

We had really great feedback from the participants, they had a fantastic day. Thank you so much for doing such a good job and we look forward to using Paringa Archery again. Janine will transfer the funds today.

Ray had a quiet February with 1 group who enjoyed a Turkey (not live!) shoot thanks to Ray's quick thinking.

event. Disappointing to see more Hobart archers than Paringa on the line both days and embarrassing that only two Paringa members were there to setup on the second day. Thankfully the Hobart archers pitched in and helped get the range ready for the days shooting. See results below.

No the President (Rolfe) isn't trying to shoot the trees. There is a target somewhere down there. A small field of archers for the 2 day event with mixed results. All the work on the target butts and field course (Rolfe wiper snipped the morning of the event) made for few pass throughs or nasty surprises. See results below.

Midweek Twilight Shoot

What a dream run of perfect evenings. Grant Woolley has had the “little people” on his side, winning the chook in the last two raffle. He even skited, before the second draw, that the oven was still set ready for the next chook. If only positive thinking worked that well for archery.

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

One of our Grand Master Bowmen was so keen to shoot that he neglected to include loading the arrow in his shooting sequence. Certainly a quicker and noisier shot with surprise for all on the line.

The final say

Fantastic news that Peter Fischer is recovering well from his operation in Melbourne. It must have been one of those cathartic experiences, as I hear he has seen the light and wants to shoot Recurve again.
