Tiger at Paringa

Yep you heard it here first! I've yet to see one but they tell me they are about. Richard Goninan managed to get this picture during one of his midweek shoots.

He said it looked just like a piece of rubber when he first saw it. Female litter sizes have been recorded as high as 126 young, so stay alert.

Bi-monthly Club Meeting

Next Club Meeting: 12:30am Sat 5th April 2014

Working Bee

Brian Swinton acquired and project managed the installation of a Roller Door at the Club house. The plastering is nearly complete as well, thanks to Caitlin Street and helpers (Shane Leslie?).

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

Three members received new arrows this month and all managed to leave a few points in the stramit. And the lesson is “Don’t skimp on the hot melt glue”

The final say

Our immediate past president (Tom) may like to update his image with these stylish accessories worn by a Canberra archer at the recent AST Field Championships. Some people just eat, breath and love archery. Who wouldn't!

Fashion on the Burnie Field

Had a short visit with Peter Fisher on Wednesday. It's been six weeks since his operation and he is travelling along well although well and truly over reading murder mystery novels. (Averaged 5 a week) Looking forward to seeing you back at the range, with your new carbon fibre recurve☺.
