Working Bee (15th and 22nd Nov)

Rolf and Jeff Dyer cut up the stramit on Rolf's triton work bench, in the front of the container. The sheets had to be ripped half the thickness, as the generator didn't have the power to do it in one go. New centres in most of the stramit targets and replaced one stramit butt with the last BCE foam butt.

Replacing the stramit to prevent shoot throughs.

Widening the target butts to allow multiple target faces for QRE events.

I thought it was going to be longer!

Next effort will be to widen more butts and prepare the Field course for next year.

Next Working Bee: When needed.

Come & Try

Interruptions from the Deloraine Craft Fair (Paringa income \$1,133), Deloraine Show (Paringa income \$0) and Tournaments (Income below) in November saw less people able to enjoy the great spring weather at the range. Still plenty of interest on the days Paringa was open to the public.

C&T Groups

- 1 - Ray Denton, Wal Morphett, Shirley Morphett, Richard Barnes
- 2 - Andrew Fluck, Caitlin Street, Corrie van Barneveldt
- 3 - Tom Wild, Leon Pearce, Brian Swinton
- 4 - Rolfe de la Motte, Geoff Dyer, Gary Rayner

Thanks to these members for offering their time. A few volunteers still needed (we'd like to have 4 in each group). If you can spare one morning every four weeks please contact Rolfe on 0409 686 911 or rolfe.delamotte@gmail.com

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

One of our members went to Hobart for the two day Southern FITA Star Event. Always on the lookout to save a few dollars he decided to stay in his vehicle for the Saturday night.

After the first days shooting he managed to lock his keys in his car. Luckily the windows were partly down and a long stick had the car open. After some arrow repairs he again managed to lock the keys in his car but this time the windows were up.

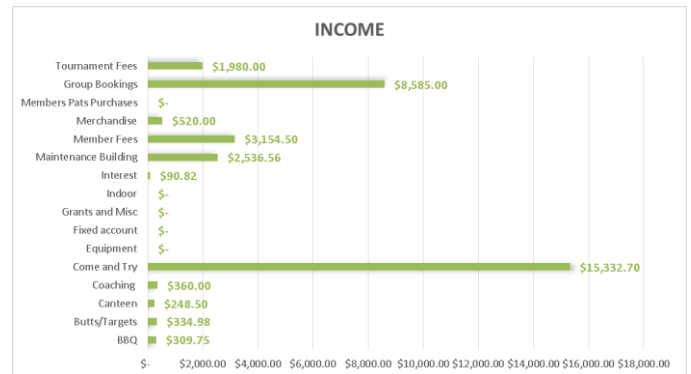

Long story short: His wife drove down with the spare keys. Not happy Jan!. After shooting Sunday our member arrived home to find his wife had only arrive back an hour before him, even though she had left Lauderdale at 8:30 that morning.

Final cost, petrol for 2 cars return Hobart and a shopping trip for his wife on the way home.
