### **The Final Say**

Ah, the warm Qld weather certainly is great this time of year. Not only did Lyn and I enjoy some time in the sun but Geoff Singline (life member) and his wife were also spotted walking down the Gold Coast highway at Surfers Paradise. Thought I may even have bumped into Taylah Freeman but at her age she is probably enjoying the night life and working during the day.

Warmer weather on the way with some time to prepare for the Target championships in November/December.
