Face of Paringa – January 2016

“Turbo” has been around Paringa for as long as I have and he made a special trip to Camp Quality this year and of course, was a hit.

Paringa Indoor Project

The meeting with Michael Ferguson MP on the 22nd Jan 2016 went well. Michael will write to the minister for Parks and Wildlife, Matt Groom, to initiate a dialog for the project. Under our current lease agreement, Matt Groom is responsible for approving the project, taking into account his department's recommendations.

I believe this is a positive outcome from the meeting and look forward to progressing the project.

Rolfe and I met with Alana Fazackerley (Client Manager, North Sport and Recreation Infrastructure Communities, Sport and Recreation Department of Premier and Cabinet) on Friday 5th Feb and received good support for the project and some suggestions for fund raising.

Club Meeting

Minutes for Sat 16th January 2016

Present: Paul K. Paul M. Wanye B. Jeff G. Rolfe d. Richard G.

- Hose and sprinkler are now fitted near the 5m line- anyone practicing on the range is encouraged to turn it on, move it a couple of times during practice and turn it off before leaving. Hoping it will assist the grass in worn areas.
- Treasurer announced that the \$10k government grant is now in the bank and that the rest of the new target butts should be arriving in February.
- Target butt wheels- Rolfe d. to purchase materials for wheel brackets, Paul M. and Kel will fabricate brackets.
- Clout venue at Cressy may not be available this year; members encouraged to help look/inquire about alternatives.
- Indoor venue- treasurer outlined the club's strategic plan and has put it on the website and will meet with Michael Ferguson this week. Discussed production of a promotional video to present to ministers/potential sponsors etc. and sponsorship ideas.
- A one-off grant of \$500 will be made to Matthew Everett to assist with his attendance at the Youth Nationals in Adelaide this year (normally only international events are sponsored).
- Purchase of a defibrillator. Wayne B. to see whether cheaper models will offer similar performance to more expensive ones

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

Some members have the occasional accident while shooting but some member are smart enough to do an injury away from the range. One member jammed his finger in the car door while putting his gear away.

Luckily he just bought a compound bow and can keep shooting.

Another member managed to duck when he should have weaved and got a broken rib when a rock on a steep rock scree decided to go downhill when he wanted to go uphill, while he was on walkabout. He must be a Rock and Roller.

See, archery really isn't dangerous.

The Final Say

Some early Paringa photos sent to me by Murray Frith. The Frith family were a major influence in Paringa's development. I'm still putting together Paringa's history, so if you know of any stories or photos please pass them on.

Construction of club house.

Open space

Young fellow (?) keen while the oldies (?) discuss the finer points. Not much changes. 😊

And it was at one time, green!

Don't forget the World Masters Games in NZ 2017 at <http://www.worldmastersgames2017.co.nz>

Paringa would like to acknowledge the support from Communities, Sport and Recreation, Premiers Department with the recent \$10k grant to help with bows, arrows and targets for community events and school groups.
