Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

Tim, **feeling the joy** when his carbon arrow took on the butts metal support bar.

Not a total waste. Cut them down and they become children's arrows.

I admit, from such experiences I have a set of these for my grandchildren. None of us start with perfect scores and we all have the occasional miss fire.☺

I've seen that arrow twirl before and I'm sure I've seen this guy around the club. Matt ????????

spirit and honourable traditions of that most ancient sport”.

This boils down to providing facilities and services that cater for all level of archery in our community, including members and non-members.

Paringa is here to support the occasional Saturday archer through to the Elite International Competitor and all in between.

Recognition of achievement helps to keep archers focused on their goals while enjoying their sport. As a **non-member** there are the **Oz Bow** certificates and **Children’s University stamps**.
