Safety, Safety, Safety

When the **Director of Shooting (DOS)** is on the range, they are in **total control** of the range and any direction they or the assistant DOS gives must be followed. This applies to all members and guests regardless of any other role they may have.

[Range Rules](http://paringa.archerytasmania.org.au/rules.php) apply to everyone on the range. See <http://paringa.archerytasmania.org.au/rules.php>

AA advises you are [not covered by AA insurance](#) if you shoot at a non-approved venue.

This Month's Face of Paringa

Andrew Fluck is the clubs Tournament Coordinator and AST Delegate. In

his spare time he does a Saturday Come and Try (Instructor) and is the Head of Judges in Tasmania. When he gets the chance (not often

enough but retirement is looming), Andrew shoots his magnificent **self bow**, a "true" longbow!

Club Meeting

Club General Meeting 2/7/16

Discussed participation in 'Kid Am I' expo (no shooting, no revenue- display/promo only at considerable cost). Decided not to participate.

Club Coach- Jeff Garner now has AA Coach certification. Jeff nominated as club coach by Rolfe d., seconded Wayne B. Motion carried.

Indoor Archery Shed proposal- PWS have agreed in principle to the proposal but we now have to have a 'botanical survey' carried out.

Rolfe d. to email Anna Povey of Friends of Trevallyn Reserve who can do this, and email other parties involved in the reserve to inform them of the proposal and get feedback/ support.

Discussed getting fill for the associated range extension if needed.

Working bee- Andrew F. will arrange a working bee for Sunday Aug 7 to

- * work on target butts
- * clean up field course
- * install drain at back of clubhouse
- *etc

High draw issue-

There have lately been some occasions where Come n Try participants have been using a potentially dangerously high draw. This will be monitored by the Director of Shooting (DOS) of the day who has authority to ensure safe shooting practices are followed at all times.

Working Bees

Gate move 7th July 2017. Paul Mal brought the drill bits, Duncan Norton got the post brace and did the welding. Great result.

Well done to Corrie, he painted the unpainted area of club house ceiling on Wednesday 27th July. Looks heaps better than the bare plaster board.

Next Working Bee: Noon Sun 7th August 2016

Groups

This month saw no groups at Paringa. Just a typical winter slow down with groups booked for August and September.

Do you know of a group that would love to have a go at archery (schools, corporate, birthdays etc)?

Rabbit of the Month

This section is dedicated to notable actions that members may on occasion happen to do.

Recently spotted on a member's car!

Where did that arrow go?

Brian since informs me he found a leech on his leg when he arrive home. PKs arrow still missing. ☹

The Final Say

I had the pleasure of attending an event in Burnie in early July and met Tony Ritchie, the Paringa Treasurer in 1961. It was Tony that proposed the name "Paringa Archers" at the [club meeting on the 8th February 1961](#). Tony is Ian Bessell's (Burnie Bowmen President) uncle, so archery is in the blood.

Accept for the shiny bit, they could be twins!

Ha, ha. Yes, Tony is the guy on the right.

Tony told me how he was shooting with some friend at the university, while he was doing his teacher training and they met some other people interested in archery. They then organised a Hydro hall in Trevallyn to shoot for a while and at some

point someone suggested they should get a range and form a club.

From this came the [first meeting](#) on the 17th December 1960 at the National Fitness Office in Cameron St, Launceston and the use of Royal Park as the first range at 2pm Sunday 19th February 1961.

Tony said unfortunately his teaching took him away from Launceston and archery. He now lives in Launceston but has not yet been to the range in Trevallyn.

Don't forget the World Masters Games in NZ 2017 at <http://www.worldmastersgames2017.co.nz>

Paringa would like to acknowledge the support from Communities, Sport and Recreation, Premiers Department with the recent \$10k grant to help with bows, arrows and targets for community events and school groups.
