New Address

No we haven't moved. For years we have used 93 Reatta Rd but with the Radio Station now at this address, some confusion has occurred. The West Tamar Council has now allocated **201 Reatta Rd Trevallyn** as the street address for the club

This Month's Face of Paringa

Shirley and Wal Morphett

This month we get two for the price of one, as where you find one, you will usually find the other. Wal and Shirley are part of the fabric of today's Paringa and originally got involved when their son wanted to do archery. They are both AA Instructors and volunteer for Saturday Come N Try as well as

External events such as Camp Quality, Deloraine Craft Fair and SteamFest. You will often see Wal shooting or DoSing (Director of Shooting, not dozing) of a Sat morning, while Shirley organises the arriving public at the club house. The Morphetts are well deserved Life members of Paringa Archers and contribute greatly to the ongoing prosperity of the club.

Paringa Indoor Project

Current status

- 7/12/16 – Letter from Minister Michael Ferguson to Minister Matthew Groom (Parks) seeking advice on whether the indoor project can progress.
- 4/1/17 – Letter from Rene Hidding MP (Acting Minister EPH) to Michael Ferguson MP saying final approval still pending but outcome looks promising.
- 12/1/17 – Rae and Partners engaged to negotiate new 10 year lease with Parks.
- 28/1/17 – RAA currently with Parks Regional Manager for final sign off. Per Adam Smith, Ranger.

After the RAA we can start looking at the West Tamar Councils building approval process and fund raising. We need another \$30,000 to reach the budget target.

President's Report: Rolfe thanked member contributions to the club, noting that membership numbers have been quite stable over the past year. Notes that the beginner's course is working well, in provision of skills and the structure on member introduction. Noted the progress being made on the development of an indoor shooting range on the site.

Treasure's Report: Jeff Garner reported that the club is currently financially sound, needing an operating budget of around \$7k per annum to continue. The public Come and Try sessions, the Schools Programme and the special event programmes, such as Deloraine Craft Fair, contribute most of the cash the club required.

Indoor Range Report: Jeff Garner presented members with an update on the progress of negotiations to build an indoor shooting facility on the Trevallyn site. Jeff noted that local MP Michael Ferguson had written to the Minister for Parks ... to push Parks and Wildlife staff to assist in the legal and planning processes of the project. Jeff has a quote to suggest the total cost of the project would be about \$160K of which we need to pay half if the grant application is successful.

CHANGE TO SCORING PROCESS

In response to a number of incidents that have happened over the past few years in regard to the changing of arrow values on scorecards the Archery Australia Board have approved a change to the scoring process that will come into force from 1st January 2017.

Archery Australia Shooting Rules 7.21.2 Outdoor and Indoor Target Events

A mistake on a scoresheet discovered before the arrows are drawn may be corrected, but the correction must be made and initialled by a Judge or Director of Shooting before the arrows are drawn. If the arrows have been drawn, no corrections to the arrow values as written on the scoresheet shall be permitted.

This rule will apply to all tournaments and QRE's registered on the Archery Australia Calendar. In the case of a QRE where a Judge is not officiating the
