### Face of Paringa

One of our newest members Karen Neil, mother of Joeby, joined in January after receiving her new bow for Christmas and boy, is she keen. Karen attends the range two to three times a week and has shown steady improvement. She has achieved her OzBow 20m certificate for Barebow Recurve and is working on her 25m certificate. Keep up the practice Karen and tight groups.

### Indoor Project

Now the air has been added, its **humongous**.

Well-hidden but there is a door in the wall.

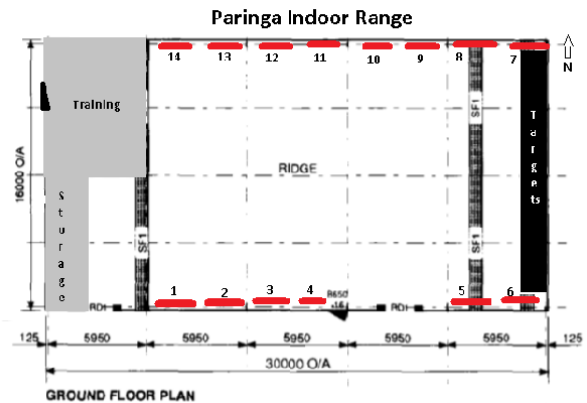

Still plenty of light now the roof is on.

### Groups

2 groups for this month, for a total of 18 participants. The groups were a birthday party and baby gender reveal.

For something a bit different. We had a group for a "baby reveal". Sabrina and Cody shot at balloons filled with pink or blue sand. The most balloons with the same colour revealed the babies gender.

Do you know of a group that would love to have a go at archery (schools, corporate, birthdays etc)?

*"This year I'm going to beat you at a tournament Matt!"* I wonder who could have said that?

Good luck with that ambition and good luck to Matt as he improves his form.
