### **December 2018**

As you all know, Jeff has been preparing the newsletters since 2014, and has done a great job of keeping us all informed of the goings on at the club.

I have been asked to continue on in Jeff's place and hope to carry on providing the club information in the same way that he has done.

Any items for the newsletter can be sent to me direct at: [Grahamoz2@gmail.com](mailto:Grahamoz2@gmail.com). If sending pictures for the newsletter, please let me know who the people are in the shots so that I can identify them correctly as I don't know all of you by face yet.

Regards, Graham

### **Paringa Archers AGM 2018**

The club Annual General Meeting was held on the 15<sup>th</sup> December followed by a barbecue to celebrate the season together.

New executive officers and committee members were installed. After 5 years as President, Rolfe de la Motte stood down and his work as president during his time has been very much appreciated.

The new executive and committee members are listed below after the new president's message. They are also be found on the Paringa website at: <http://paringa.archerytasmania.org.au/who.php>

At the AGM, a need to increase membership fees for next year was tabled. Jeff explained that there had not been any increases for a number of years meaning that to remain financially viable as a club, a larger, one off increase was needed, followed by CPI increases. This was passed by the meeting. The fees schedule is attached.

### **Introducing Roger Emery - President**

Whilst only being a member of Paringa Archery Club for a short period of time, I have felt welcomed enough to take on the role and responsibilities as this year's President and will work towards some new initiatives for the club in the coming year.

I am married to Linda, who is involved in Community Theatre and we have two children; our son Dean is also a member of Paringa. Dean's son also shoots on a regular basis.

I am semi-retired and owner/partner in my own business Solution Planners.

I previously was the State Sales Manager for the carpet manufacturer Tascot Templeton Carpets in Devonport, for over 25 years until the factory closed.

When I joined the club, I was impressed with the welcome and warm generosity of the members, in their willingness to share their knowledge and experience and for making new members feel very included.

My vision for the club going forward is to increase club membership and social participation, by raising the club profile in the community; primarily through the established 'Come & Try' format with improved communication and follow up; our website, and our Facebook Page. These along with increased publicity and various promoted events throughout the year.

I believe our competition aspirations are in very good hands with our new joint tournament coordinators.

Feel free to come and say hello if you see me around the club grounds – it would be nice to have a chat, I look forward to receiving your support and hearing your ideas and comments.

Paringa Archers recommends you do **not** buy equipment off eBay, similar sites or Sports Stores, as bows need to be matched to the archer and arrows need to be matched to the bow.
