Youth Come and Tries

Youth sessions of Come and tries will be on hold until further notice.

Thanks to all those who were able to attend and to those who pulled together to make it happen.

LONGBOW SHOOT

20th November 2021

In perfect weather and with 8 shooters on the line, it was a good day, even if we were missing a few of our regular archers.

John Doddos was a replacement for Barry Peers and he tried his best. The surprise of the day was the really good shooting by both Stephen Rouse and Scott Bryan. Paringa really needs archers of this calibre ... it gives the rest of us with something to aim at.

The next Longbow Shoot will be on the 15th January 2022.

The scores were as set out below, with the Longbow archers 4 out of 5 over 400. What will next year bring?

Competition News.

National Champs

Archery Australia are currently deciding how to go forward with a national competition for this year. They have four options to consider and we have been asked to canvass opinion on the favoured one. Hopefully we will soon have a decision and be able to organise something. We will keep you posted.

In the meantime, have fun with your shooting.

Group Sessions Update

After a lull over winter group sessions are now on the increase with about 15 bookings over the next few months and corporate groups looking for archery as their annual staff activity. Group sizes range from 10 to 30 and I have be

getting valuable assistance from club members – thanks!

Group sessions book both the range and indoors – if the weather is fine, we'll shoot on the range, if the weather is not good we'll shoot indoors. This can only be decided on the day. As DoS for the group sessions, I have the responsibility for the safety of all archers on the range or indoor.

As the number of group sessions increases it is important that all club members check the Paringa Calendar to make sure the range or indoor facility is available.

Armory move

On the 12th and 13th of November the armory was relocated (from the clubhouse to the indoor range). Thank you to everyone who help with this relocation and for an amazing BBQ. (Photos from the relocation day will be added in later newsletters)

Below is a list of activities that needed to be complete so move could go ahead.

Saturday 12 Nov 2021

1. Moved all equipment out of the armory.
2. Prepare location in indoor range.
3. Dismantle and move armory to indoor range.
4. Inventory all equipment

This is how the armory looks now.

A Reminder for COVID-19

Hi, everyone, just a reminder that we are still observing Covid-19 Return to Sport Arrangements.

Our Covid-19 plan is available on the website for download should you wish to read the whole document.

These are the simplified actions we need to take.

Whenever we are at the range we need to log this somewhere, there are basically 4 ways of doing this.

- 1) If you are at the range during the week make a diary note that you can keep.
- 2) Register for a club shoot whenever they are held.
- 3) Register for practice on Saturdays.
- 4) Check in with the come n try sign in desk when you arrive on Saturday mornings.
- 5) Use the **Check in TAS phone app** with the QR codes on display at the club

Other actions to observe.

- Follow minimum contact procedures wherever possible.
- Sanitize all shared equipment.
- Practice personal hygiene (e.g wash hands prior to and after handling equipment).
- Wipe down and clean toilet and clubhouse facilities if you use them.
- Observe physical distancing wherever possible.

COME AND TRIES

We are looking for any members who would be willing to occasionally participate as a backup come n try team member.

The Saturday schedule is the 2nd and 4th Saturday of the month, we currently have 2 full time teams for these days but sometimes members just can't make it and instead of putting a further load on other team members to try swapping days, we would like to have a separate group of members available we could call on.

The Wednesday schedule is the 1st Wednesday from 6:30pm to 9:00pm.

Any members willing to help please send Jeff Garner your contact details and phone number. It will be up to individual come n try team members to contact relief members and
