The Club is looking for ways to keep rain off the permanent butts: most damage seems to come from water penetrating the straw and causing rot. SO, all you inventors out there (I know you have some ingenious ideas!), put them on a big bit of paper and bring them to the Club meeting re-scheduled for 24th April, and let's see who takes the cake! The ideal cover will present no danger to arrows when open, be long lasting, require no skill, strength or height to open/close and cost very little. Not much to ask, is it?

Youth Nationals

Paringa Members Taylah Freeman and Michael Skrinnikoff have both given a fantastic account of themselves in Perth. Trici must be cooking great meals and we appreciate her providing this essential backup. Looking at the results on the web on the final day of shooting:

Taylah: Target- FIRST(2603) , Field – FIRST(734),
Michael: Target-NINTH (2405), Field – FOURTH(758)

The Clout results should be out soon...

It was wonderful to present FOUR awards, with Peter Fisher and Michael Skrinnikoff coming equal second. Brian Swinton showed what you can do with a little rest – and some of us showed what too much rest can do to your form! Congratulations to all – there are many more improvements than bad days on this list.

Reminder

Please note - we will hold the Bunbury Silver Leprechaun Postal Shoot on the 2nd May. This is a great chance to compete against other clubs around Australia. Let's make Paringa shine!
