Bi-monthly Club Meeting

Come along and have a say in how your club is run.
Next Club Meeting: 12:30 Sat 4th Oct

Basic Archery Instruction

Caitlin Street is running an Archery Basics course for the **four Saturdays starting September 6**. The course is to provide novice archers with the basic skills for enjoyable shooting. The four week course, limited to 9 participants, will ensure novice archers are trained in good technique and safety practices, as well as providing a link between the Saturday public session and the Saturday afternoon member's shoot, as the course timing allows the public to see the improvements in the novices, and the novices to see members skills and club activities.

It is hoped that the improvements in the novice's skills will encourage both membership in the club, and future participation in the courses by the Saturday morning public.
